TERMINAL DISCLAIMER

S I R :

Richard A. Graff, the above-identified inventor and the undersigned, is a partner of Graff/Ross Holdings, owner of the above-identified patent application.

The undersigned hereby disclaims any portion of a patent issued on this application extending beyond the term of the corresponding parent patent application, U.S. Patent No. 5,802,501.

This Terminal Disclaimer is binding upon the grantee, its successors or assigns.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statement may jeopardize the validity of the application or any patent issued thereon.
